

High Quality SBR synthetic/natural Rubber matting.

A heavy duty and robust runner Rubber matting offering exceptional wear and multi-directional anti-slip characteristics.

Orange Peel pattern is ideal for any environment where a hard wearing multi-directional anti-slip Rubber matting is required.

Entrances, ramps, building access door points for heavy wheeled vehicles or trolleys will benefit.

Suretred orange peel Rubber matting can be stuck directly over existing hard flooring in most cases, or installed as a new finish to any doorway apron. It may be applied indoors or outdoors.
