Tatami exercise floor mats for use in Judo, Ju-jitsu & Aikido.

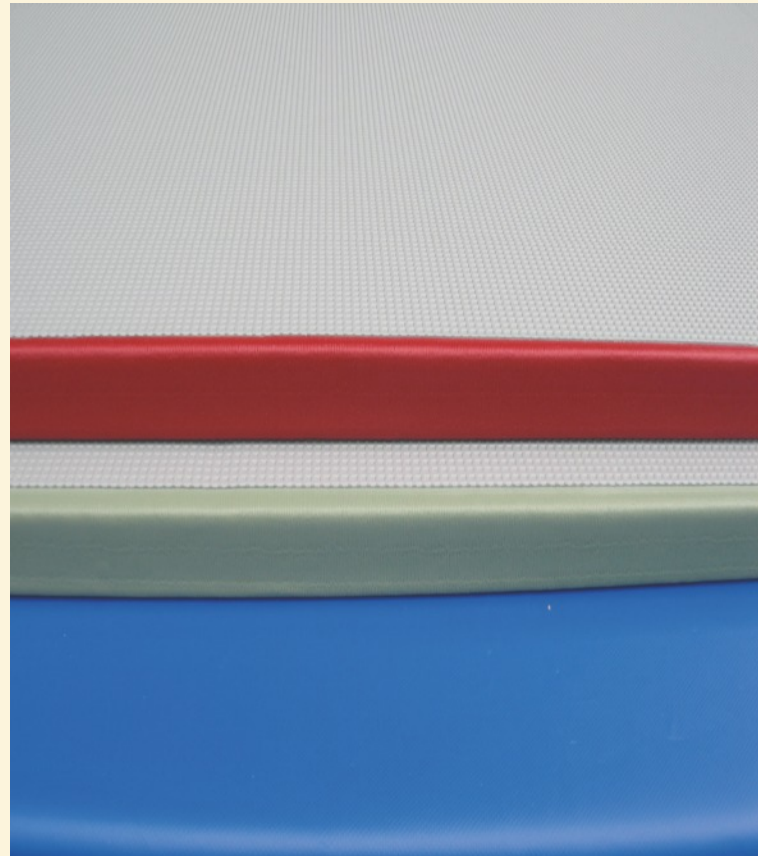

These mats are made for people who are looking for quality martial arts mats to use in the higher demanding exercise regimes of the various MMA disciplines.

Judo, Ju-Jitsu and Aikido are all possible using these Tatami mats as they fully comply with international IJF and EJJF federation rules.

All the mats in this range are offered with chip foam filling of 6.3 Kg/M<sup>3</sup>.

The cover is made of very strong PVC and the corners are thermally finished.

The bottom side of the mat incorporates a Honey Block (Latex) finish so as to eliminate any disconnections during exercises.
