

General purpose SBR synthetic/natural Rubber matting. Low cost anti-slip fine ribbed surface one side, fine cloth impression pattern on reverse.

Fine flute Rubber matting is ideally suited for loose lay applications for walkways, tread mats, runners shelving, van loading areas, work benches and general purpose areas. Solves slip hazards quickly in and around entranceways, doors, lift floors, stairs, escalator aprons, ramps and more.

Fine flute Rubber matting can be stuck directly over existing hard flooring in most cases, or installed as a new finish indoors or outdoors. The rubber flutes act as a scraper to trap water and debris.

Colours: Black. Green & Grey
@ 3mm only.

Hardness: 75 Shore A

Tensile: 2.5 Mpa

Elongation 300%

Temperature Range: -20/+70DegC

Abrasion Resistance: 300 mm³

Thickness:mm 3, 4.5, 6, 10

Weight/M2 (Kg- Approx): 3.6 @ 3mm
