

Dual wave patterned Suremat soft PVC matting is a highly flexible connectible floor matting roll.

With alternate 90 degree angle strips to achieve a hard wearing, anti-slip soft feel aesthetically pleasing look mat. Suitable for all wet or hygienic areas, as it will not harbour bacterial or mould growth.

Wave matting is a soft barefoot comfortable for use around swimming pools school facilities, play areas, in fact anywhere where water can gather.

The unique design of Surelok wave allows for complete drainage and thereby maintains a dry walking/standing area.
