<b>Weight/ M2 (kgs-appx):</b>	6.8

## MD551 Electrosafe Rubber Safety Matting Performance.

- Fully branded on reverse
- Protection from electrical shock
- Hard wearing
- Positive safe grip from the flutes

## Cleaning and Maintenance Daily:

Matting may be washed with soap or a mild non-bleaching detergent. After washing the matting should be rinsed thoroughly with water.  
Matting should be air dried, but not such that the matting temperature exceeds 65°C.
