Circle Stud PVC Interlocking Tiles

www.matsdirect.co.uk

Manufactured from a high quality soft feel PVC.

The popular circle stud pattern being ideal for traffic from any direction.

The tight fitting 'T' bar edge pattern limits any movement when connected so eliminating the need for adhesion.

Very good cold to floor insulation hard wearing and durable.

Excellent for covering a worn floor area, quick and easy fit requiring no special skills or tools.

A sharp fixed blade knife and straight edge will trim the product as required.
