

Meadow outdoor scraper matting is 100% PA and is designed for both plain and printed logo use.

Meadow can be supplied in roll format with a Styrol Latex backing for matwell or loose surface laid with punched holes in the back to allow water to pass through the matting.

Alternatively Meadow mats can be Rubber backed and used as a direct replacement for logo Coir mats as it is fully weather resistant will not harbour bacteria and is fully colour fast.

Complies with BS8300 DDA regulation.

Meadow scaper mats can be used in commercial retail, industrial, or public entrances and doorways in both matwells and loose laid applications.
